Agenda Item: I-3

Board Priority/  
District Goal: Priority A and B: Goals 1, 2, and 3

## BACKGROUND

State rules allow districts to use modified schedules on days when the TAKS test is administered. In the past, A&M Consolidated High School has requested and received a waiver from the State allowing for a modified schedule.

Attached is the proposed modified schedule. The high school Campus Improvement Team unanimously approved the request for the waiver as did the District Educational Improvement Council (DEIC).

## RECOMMENDATION

It is recommended the CSISD Board of Trustees approve the Texas Education Waiver to allow CSISD to use a modified schedule on TAKS testing days.
