

College Station Independent School District

Success...each life...each day... each hour

MEMORANDUM

To: Dr. Eddie Coulson, Superintendent

From: Greg McIntyre, Deputy Superintendent for Curriculum and Instruction 

Date: September 12, 2012

Subject: New High School Courses for 2013-14

Agenda Item: H-3

Board Priority/
District Goal: Priorities 1, 2, and 3; Goals 1, 2, and 3

BACKGROUND

The consideration of new courses at the high school level is the result of input focused upon meeting student needs and interests.

As in the past, Board approval allows the district the opportunity to offer the courses to see how many students are interested in signing-up for them; whether a course 'makes' is dependent upon such variables as student enrollment, teacher certification, and teacher availability.

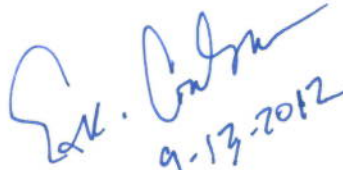

The high school courses (attached) were unanimously approved by the respective campus School Improvement Planning teams and the District Educational Improvement Council.

RECOMMENDATION

It is recommended the College Station Board of Trustees approve the new high school courses beginning with the 2013-14 school year as presented.
