INTER-DEPARTMENTAL MEMO

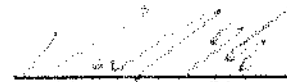

TO: Mike Martindale
DATE: August 6, 2019
SUBJECT: Campus Server Replacements

The Technology Department has identified twelve (12) servers throughout the district that are aging and in need of replacement. Avinext has provided a quote, based upon specifications provided, for twelve Hewlett Packard DL360 Generation 10 servers.

The servers are available on the Department of Information Resources (DIR) contract with Hewlett Packard. The DIR is an agency of the State of Texas that has established contracts with vendors for technology related products and services. DIR contracts have been competitively bid and meet the competitive bid requirements stipulated in Texas Government Code, Section 791.025.

It is the recommendation of Carmella Shafer, Director of Purchasing and David Hutchison, Director of Technology that we purchase the HP DL360 Generation 10 Servers from Avinext, quote #184877, per Texas Department of Information Resources contract DIR-TSO-4160 for a total of \$124,944.00 from 2015 Bond Program funds.

Carmella Shafer, Director of Purchasing

David Hutchison, Director of Technology
