## MEMORANDUM

To: Greg McIntyre, Deputy Superintendent for Curriculum and Instruction  
From: Donna Adams, Director of Curriculum and Instruction  
Date: February 14, 2008  
Re: Math Textbook Adoptions for 2008-2009  
Agenda Item: I-3

---

### Background

The adoption of textbooks is an annual process instituted by the Texas Education Agency on a cycle for each of the content areas taught in our schools. This year the adoption cycle focused on the following area:

- Mathematics K-5

Copies of the proposed textbooks and supplemental materials for each of the area adoptions were made available at each campus for review by faculty members whose classes were involved in this particular adoption cycle.

A District Textbook Adoption Committees was formed in which each campus had teacher representatives. Two meetings were conducted at the district level in which campus representatives participated. The goal was to attain consistency across grade levels and vertical alignment between the grade levels.

Public input was gathered through three public viewings at the College Station ISD Administrative Offices. Extended hours were offered on January 5 (Saturday, 8:00 a.m.-5:00 p.m.), January 11 (Friday, 8:30 a.m.-12:00 p.m.), and January 24 (Tuesday, 1:00 p.m.-8:00 p.m.). Information was posted on the CSISD website and in The Eagle, as well. Two parents attended the public viewings. One provided feedback to the committee.

At the final District Textbook Committee meeting each campus had representatives who participated in formulating the recommendations. The textbook and ancillary materials recommended by the District Textbook Committee for the **2008-2009** school year is Scott Foresman-Addison Wesley's enVisionMath—Texas the Next Generation.

2-15-2008

The Spanish version of the math textbooks will also be ordered as appropriate.

Attached is a copy of the document signed by each member of the District Textbook Adoption Committee regarding the recommended textbooks for adoption.

**Recommendation**

It is recommended the CSISD School Board approve the Committee's textbook selection and corresponding ancillary materials for adoption as presented.
