INTER-DEPARTMENTAL MEMO

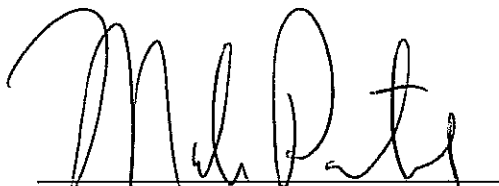

TO: Mike Ball
DATE: February 8, 2008
SUBJECT: Ceiling Mounted Data Projection Systems #8-009

Request for Competitive Sealed Proposals #8-009 for Ceiling Mounted Data Projection Systems were mailed January 16, 2008 to eleven contractors, posted on the district website and advertised January 14, 2008 and January 21, 2008. Eight contractors responded to the proposal, which opened February 5, 2008. The proposers were:

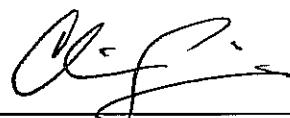

<u>Proposer</u>	<u>Proposal Price</u>
Ford Audio Visual	\$1,795,339.00
Data Projection Systems	\$1,199,049.20
Pathway Communications	\$1,928,383.00
High Definition Technologies	\$1,390,658.88
Industrial Audio Video	\$1,163,505.55
MicroAge College Station	\$1,144,112.00
Troxell Communications	\$1,047,440.90
CCS Presentation Systems	\$1,303,997.65

The proposals were evaluated based on the criteria listed in the Request for Proposal. MicroAge College Station received the highest score on the evaluation matrix and meets all specifications of the Request for Proposal.

It is the recommendation of Mark Pantel, Director of Purchasing and Chris Speier Director of Technology to award this proposal to MicroAge College Station for \$1,144,112.00. These data projection systems will be installed at all eleven campuses and will be completed by August 1, 2008.

Mark Pantel, Director of Purchasing

Chris Speier, Director of Technology
