The proposal was based on a discount off catalog or retail pricing rather than item-by-item. The catalog method of bidding allows an award to multiple vendors and provides a larger product and supplier base for Athletics. Among the vendors awarded Athletics can review the catalogs and discounts quoted and select the products, which offer the best value to the district.

It is the recommendation of Mark Pantel, Director of Purchasing and Jim Slaughter, Director of Athletics to award the Athletic Supplies agreement to the vendors listed above effective June 1, 2008 through May 31, 2009. These vendors appear to offer athletic supplies at the most competitive prices and quality.
