MEMORANDUM

To: Dr. Eddie Coulson, Superintendent

From: Amanda Dotson, Chief Financial Officer 

Date: July 14, 2010

Subject: Consider Approval of Renewal of Student Athletic Insurance

Agenda Item: J-3 b.

Board Priority/
District Goal: Priority 3/Goal 5

BACKGROUND

Requests for Competitive Sealed Proposals for the District's student athletic and extra-curricular insurance coverage were evaluated and awarded to Greater East Texas Insurance Associates (formerly Brazos Valley Insurance Group) for the 2009-2010 fiscal year. The Board of Trustees granted approval for this policy in July 2009 for a two-year period, with premium increases in the second year not to exceed 10%.

The policy with Greater East Texas Insurance Associates includes a provision for full assignment through a Preferred Provider Organization. The full assignment through a PPO group provides students and their parents the opportunity to receive treatment from various local health care providers that have contracted to accept the coverage. The contracted health care providers will not bill the students for more than the benefits provided in the policy.

The premium proposed by Greater East Texas Insurance Associates for 2010-2011 represents a 9.5% increase compared to the current year's final premium. The total proposed premium for 2010-2011 is \$51,159.

RECOMMENDATION

It is recommended that the Board of Trustees of College Station Independent School District consider approval to renew its policy with Greater East Texas Insurance Associates for Student Athletic and Extra-curricular Insurance for the 2010-2011 fiscal year, with the total cost of \$51,159 for the 2010-2011 fiscal year.
