

MEMORANDUM

TO: Eddie Coulson, Superintendent
FROM: Beth French, Election Coordinator
DATE: December 13, 2013
SUBJECT: Report on School Board Continuing Education
AGENDA ITEM: E-1

Since 1986, the SBOE rule has required that a public announcement be made each year of the names of those board members who have completed the required continuing education, who have exceeded the required hours, and who are deficient.

House Bill 2563 passed in the 80th Legislative Session amended TEC Section 11.159 to include reporting board training hours at the last regular meeting of the calendar year. Since that time, TASB has advised districts to make both announcements until the SBOE rule was modified.

The amendments approved November 19, 2010, remove any reference to an announcement at the meeting for the call for elections. The only announcement that must be made is now at the last regular board meeting in the calendar year, which for most boards is the December meeting.
