Success...each life...each day... each hour

## MEMORANDUM

To: CSISD School Board

From: Eddie Coulson, Superintendent 

Date: March 5, 2014

Subject: Consideration, discussion and possible action related to adopting rezoning parameters to guide the work of the CSISD Rezoning Committee

Agenda Item: E-3

---

## BACKGROUND

College Station Independent School District is slated to open its ninth elementary school in August 2015. To accommodate the growth in students and the opening of this new facility, the district will need to adjust its attendance boundaries for elementary schools.

The district is targeting September 2014 for a final decision on these new boundaries that would take effect for the 2015-16 school year. A rezoning committee is being formed to study all of the issues surrounding rezoning, develop various scenarios, and ultimately make a recommendation to the Board of Trustees for their consideration.

As has been our practice, the Board of Trustees will consider a set of parameters that will guide the work of the rezoning committee. To gain an understanding of what issues are important to CSISD parents and community members, the Board held three Community Forums to solicit feedback. The Community Forums were held on the following three dates:

- Wednesday, February 26, 2014      Lincoln Center      5:30 p.m.
- Thursday, February 27, 2014      CSISD Transportation Center      6:30 p.m.
- Wednesday, March 5, 2014      CSISD Board Room      12:30 p.m.

## RECOMMENDATION

It is recommended that the Board of Trustees of College Station Independent School District adopt a set of parameters that will guide the work of the CSISD Rezoning Committee.
