Date: May 14, 2014

Subject: A&M Consolidated High School CATE computer purchase

Agenda Item: J-1

Board Priority/  
District Goal: Priority 3, Goals 1, 2 and 3

---

## **BACKGROUND**

As part of the 2013 bond program, the CSISD Technology Department has identified the need to purchase computers for four Career and Technology (CATE) labs at A&M Consolidated High School. These 133 computers are to be purchased through the existing Department of Information (DIR) contract with HP. The DIR contract meets the competitive bid requirements in the Texas Government Code, and has been determined to be the most efficient method by the Director of Purchasing and the Director of Career and Technology.

## **RECOMMENDATION**

It is recommended that the Board of Trustees of College Station Independent School District consider approval of this computer purchase from Avinext for the total amount of \$114,500.00 paid from 2013 bond program funds.
