**INTER-DEPARTMENTAL MEMO**

TO: Glynn Walker  
DATE: May 6, 2014  
SUBJECT: iPad Tablets

As part of the 2013 bond program, the Technology Department has worked with Apple Inc., a participating vendor of the DIR to compile the attached quote for iPad mini tablets for the district.

These tablets are available on the Department of Information (DIR) contract with Apple Inc. The Department of Information Resources (DIR) is an agency of the State of Texas that has established contracts with vendors for technology related products and services. DIR contracts have been competitively bid and meet the competitive bid requirements stipulated in Texas Government Code, Section 791.025. As a public school district we are eligible to purchase from DIR contracted vendors and receive the discounts that are based on the state's anticipated volume for participating state agencies, public institutions of higher education, public school districts and other local governments.

It is the recommendation of Mark Pantel, Director of Purchasing and David Hutchison, Director of Technology that we purchase the iPad mini tablets from Apple Inc. for \$354,330.00 per DIR contract #SDD-2068.
