Background

The CSISD EFAA (Local) requires that the Superintendent make recommendations to the Board for the appointment of local instructional materials adoption committees. In April 2012, the State Board of Education released a proclamation for Science K-8, Science (Spanish) K-5, Math K-8, Math (Spanish) K-5, Aquatic Science, Biology, Chemistry, Integrated Physics and Chemistry, Physics, Principles of Technology, Scientific Research and Design, Anatomy and Physiology, Advanced Biotechnology, and Technology Applications K-12 instructional materials adoption to be conducted in 2013-2014 for implementation in the 2014-2015 school year.

The District will submit a recommendation for materials to the Board at a later date. Submitted are the lists of teachers and administrators recommended by their principals and directors to serve on the 2013-2014 committees.

RECOMMENDATION

It is recommended the CSISD Board of Trustees approve the instructional materials adoption committee members as presented.
