Success...each life...each day...each hour

MEMORANDUM

To: College Station ISD Board of Trustees

From: Mike Martindale, Interim Superintendent *MM*

Date: April 15, 2020

Subject: Medicaid Cost Report Settlement

Agenda Item: J – 2.

BACKGROUND

College Station ISD participates in the School Health and Related Services (SHARS) program which allows school districts to request reimbursement for Medicaid health-related services. Nursing services, occupational or physical therapy, psychological services, speech therapy and special transportation are examples of services the district may request reimbursement for when students are both eligible for special education and require these services in order to participate in the educational program.

The district uses MSB for third-party Medicaid administration billing services.

Cost report settlement payments are paid two years in arrears. The district received the 2017-18 cost settlement administrative fee invoice from MSB in the amount of \$81,095.14.

Carmella Shafer, Director of Purchasing, and Lindsey Fuentes, Director of Special Services, recommend that the district authorize payment for the 2017-18 Medicaid Cost Report Settlement fee in the amount of \$81,095.14 to MSB for Shared Health and Related Services (SHARS) reimbursements using the 2019-20 General Fund.
