Important Terms & Conditions - Please Review

To place an order, you must provide one of the following: a Purchase Order assigned to GameTime; or this Price Quotation, signed by an authorized purchaser, with a check made payable to GameTime. GameTime will also accept payment by Visa, MasterCard, or American Express. A current approved credit application is required for Net 30 terms.

This quotation explicitly excludes any and all items not expressly specified or identified above. No other product, equipment, or service is included, regardless of any Contract Document, Contract Section, Plans, Specifications, Drawing, or Addendum. Delivery for most GameTime equipment is approximately 5-6 weeks after all order documents have been received and payment terms have been approved. A current, approved credit application is required for N30 terms. To place an order, you must provide a purchase order or a signed Total Recreation Products, Inc. (hereafter described as TRP) quote, assigned to GameTime. Neither general contractor nor subcontractor contracts can be accepted. Purchase documents that contain indemnity or hold harmless conditions cannot be accepted. Retainage is not permitted. The following must be received before your order can be processed: complete billing and shipping addresses, a contact name and phone #, and all color choices. Manufacturer's colors may vary from year to year. You are responsible for ensuring that any required submittal approvals are completed before placing your order for processing. TRP reserves the right to limit submittals to one copy. Shop drawings, blueprints, sepias, are not available. Closeout documents may be limited to GameTime or TRP standard issue. If Sales Tax Exempt, a copy of your tax exemption form or resale certificate must accompany your order, or any applicable sales tax, will be added to your invoice. Most GameTime products are shipped from the Ft. Payne, AL plant. GameTime cannot hold orders or store equipment. Equipment is invoiced when shipped. If a cash sale, your payment must be received in full before the order will be processed. Contractors must also provide copies of current, fully executed bid/performance/payment bonds, as applicable. Pricing shown does not include any charges for permits, bonding, prevailing wage, or additional insured certifications. Unless otherwise noted, any quantity of surfacing or playcurbs quoted has been calculated specifically for the equipment and layout shown. No additional surfacing or curbing is included, and no allowance has been made, for an unlevelled, convoluted or larger site, or for a different layout. Neither GameTime nor TRP is responsible for any surface, curbing, border, or drain that is provided by others. Also please confirm that your area is adequate for the equipment that you are purchasing.

Installation charges, if quoted, are for a "standard" installation unless specifically noted to be otherwise. Installation charges are due upon completion. Standard installations are based upon a soil work site, that is freely accessible by truck, (no fencing, tree/landscaping or utility obstacles, etc.), and level, (+/- 1-2% maximum slope). An accessible water source must be available to the installer. Any site work that is not expressly described is excluded. Standard installation does not include any extra or additional machinery, drillers, etc., for rock excavation. If rock conditions are encountered, additional charges will apply.

Standard installations generally require from 2-10 business days to complete, depending upon the amount and type of equipment, site conditions, weather, and the installer's schedule. Work may or may not be performed in consecutive days. Playcurbs are staked in, not set in concrete. Engineered wood fiber and shredded rubber surfacings are spread, not compacted, rolled, or watered. Landscape timbers are not warranted. The Customer is responsible for locating and clearly marking all underground utilities in the installation area before any installation work can begin. The installer is not responsible for damages, repairs, or discontinuance of business due to damaged utilities.

If applicable, sprinkler system locates, re-working and repairs are excluded from installation charges. Installation of all products, (equipment, borders, fall surfacing and amenities) are as quoted and approved by acceptance of quotes and drawings. As a precautionary measure, work in progress areas will be taped off at the end of the workday. Pier spoils from installation shall be spread at site, site will be left rough grade. Trash disposal is the responsibility of the Customer. The installer is not responsible for any damages or re-work resulting from after hours events or activities during the work in progress period. Temporary fencing is only provided by specific request, and additional charges will apply. Collectively and/or individually, not the manufacturer, TRP, their representatives, nor the installation company shall be held liable for any damages resulting from misuse, vandalism, or neglect. Any deviations from approved and accepted placement of all items, along with additional work, over and above quoted items, will be chargeable to the customer. Once work is completed the customer will be notified if present at the job site, and all responsibility of any new work will be transferred to the customer. The customer is responsible for maintaining the integrity of completed installation work until all components have seated and/or cured (concrete footings, etc.). Your project site must be completely prepared and ready to receive your equipment before any installation work begins. Acquisition of any and all permits is the sole responsibility of the customer. Additional charges may be billed for any extra hours or trips needed as a result of the work site not being ready. Neither the installation contractor, GameTime nor TRP will be responsible for delays caused by shortages, incorrect parts, weather conditions, other contractors, or lack of site readiness.

You will also be responsible for a complete inventory of your received equipment and reporting any discrepancies to us immediately. Neither the freight company nor the manufacturer will resolve shipment discrepancies that are not reported immediately. Make sure that all items have been received before any type of installation work is scheduled. The freight carrier will be instructed to call your designated contact 24 hours before delivery to arrange a delivery appointment.

Once accepted, orders can only be changed or canceled with the consent of GameTime and TRP, and on terms that will indemnify them against loss. Changed or canceled orders are subject to a \$100.00 service charge. Additionally, canceled orders are subject to a 25% restocking fee, plus freight charges (to and from). Built-to-order equipment orders are non-cancelable.
