INTER-DEPARTMENTAL MEMO

TO: Glynn Walker
DATE: March 6, 2015
SUBJECT: Furniture and Equipment for Spring Creek Elementary

As part of the 2013 bond program, the Principal for Spring Creek Elementary, Director of Purchasing and Coordinator for Construction identified three companies that offer comprehensive furniture planning programs to school districts in this area of Texas and are members of the district's approved purchasing cooperatives. Educator's Depot, School Specialty, J.R. Incorporated offer programs which include needs assessment, budget analysis, bid documentation, bid analysis and project management.

Each vendor made a presentation and was interviewed by the committee. The committee agreed that the products and services offered by Educator's Depot appeared to be the best overall program for the district for this campus.

The attached proposal from Educators Depot is a result of several planning meetings and the pricing is per the Texas Local Government Statewide Purchasing Cooperative (Buy Board) which College Station ISD is a member. All commodities has been competitively bid and awarded by the Cooperative's Board of Trustees based on state statues.

It is the recommendation of Mark Pantel, Director of Purchasing and Stormy Hickman, Principal Spring Creek Elementary to purchase the classroom and office furniture and miscellaneous equipment from Educator's Depot delivered and installed for \$388,729.08 per Buy Board Contract #414-12.
