Agenda Item: J - 2
Board Priority/
District Goal: Priority 3, Goal 4

Background

As a part of the 2013 and 2015 Bond Programs, the technology department has identified the needed computers for the new Pecan Trail Intermediate School as well as the need to replace aging computers at A&M Consolidated High School, College Station High School, and Greens Prairie Elementary School.

These computers and monitors are available per the Department of Information Resources (DIR) contract with Hewlett Packard. The DIR is an agency of the State of Texas that has established contracts with vendors for technology related products and services. DIR contracts have been competitively bid and meet the competitive bid requirements.

It is the recommendation of Mark Pantel, Director of Purchasing, and David Hutchison, Director of Technology, that we purchase these computers and monitors with pre-imaging and delivery to each campus in the amount of \$779,364.00 from Avinext per DIR Contract DIR-TSO-2538 quotes #172058 and #172059 from 2013 and 2015 Bond Funds.
