**INTER-DEPARTMENTAL MEMO**

**TO:** Mike Martindale  
**DATE:** February 9, 2017  
**SUBJECT:** Public Address System for Pecan Trail Intermediate

As part of the 2015 bond program, the Technology Department has worked with Firetron Inc. on the Public Address System for Pecan Trail Intermediate. The Rauland Telecenter solution was selected in 2014 through a competitive bid process to provide a district wide public address system for school safety notifications, intercom and paging.

Firetron Inc. is the central Texas reseller for Rauland and has been awarded the Security/Surveillance Systems contract by the TIPS/TAPS Purchasing Cooperative of which the district is a member. All items have been competitively bid and awarded by the cooperative's Board of Trustees based on state statutes.

It is the recommendation of Mark Pantel, Director of Purchasing and David Hutchison, Director of Technology to purchase the public address system and speakers for Pecan Trail Intermediate from Firetron Inc. for \$87,223.87 per the TIP/TAPS contract #20160305.
