

College Station Independent School District

Success...each life...each day...each hour

Memorandum

To: Dr. Clark Ealy, Superintendent

From: Chrissy Hester, Director of Student Services *CH*

Date: July 14, 2016

Subject: Update to CSISD Local Board Policies

Agenda Item: H-3

Board Priority/ District Goal: Priorities A, B and C; Goals 1-5

BACKGROUND

Senior district administrators spent two full days in April reviewing the district's locally adopted school board policies, our current practices and how well the two lined up. Those two days were led by our Texas Association of School Boards (TASB) policy consultant. As a result of this policy review, the administration is recommending change to a number of policies.

Since our work in April, our consultant Amy Kadlecek has been looking at policy language and developing recommendations for adjustment to these policies. These proposed changes have been shared with the board and the board was able to ask questions about the changes at the June workshop.

RECOMMENDATION

It is recommended that the CSISD Board of Trustees approve the amended local Board Policies as presented.
