INTER-DEPARTMENTAL MEMO

TO: Mike Martindale

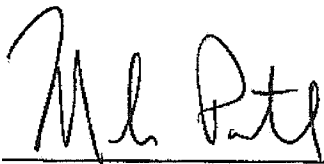

DATE: February 27, 2017

SUBJECT: Network Switches for Pecan Trail Intermediate

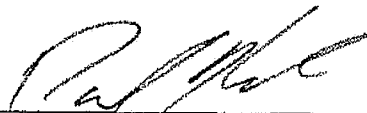

As part of the 2015 bond program, the Technology Department has identified network switches required for Pecan Trail Intermediate. The district has worked with Avinext to provide the attached quote #171243 for Hewlett Packard (HP) network switches.

These network switches are available from Avinext through the Department of Information Resources (DIR) contract #DIR-TSO-3359 with HP. DIR is an agency of the State of Texas that has established contracts with vendors for technology related products and services. DIR contracts have been competitively bid and meet the competitive bid requirements stipulated in Texas Government Code, Section 791.025.

It is the recommendation of Mark Pantel, Director of Purchasing and David Hutchison, Director of Technology that we purchase the HP network switches for Pecan Trail Intermediate from Avinext for a total of \$83,789.00 per the above referenced DIR Contract using 2015 Bond funds.
