INTER-DEPARTMENTAL MEMO

TO: Mike Martindale

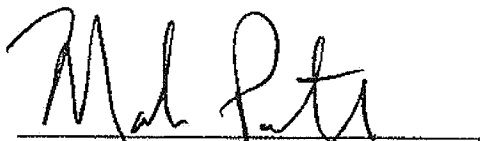

DATE: March 6, 2017

SUBJECT: Audio Visual Equipment for Pecan Trail
Intermediate Classrooms

As part of the 2015 bond program, the Technology Department has identified audio visual equipment required for Pecan Trail Intermediate. The district has worked with Avinext to provide the attached quote #171488 for SMART Interactive displays and associated mounting hardware and cabling.

These Audio Visual components are available from Avinext through the Texas A&M University Multi-Media Contract – AM02-16-PO16040. All items included in this agreement have been competitively bid and meet the competitive bid requirements stipulated in Texas Government Code, Section 791.025. These prices are available to College Station ISD through an inter-local purchasing agreement with Texas A&M University.

It is the recommendation of Mark Pantel, Director of Purchasing and David Hutchison, Director of Technology that we purchase the Audio Visual Equipment for Pecan Trail Intermediate classrooms from Avinext for a total of \$249,659.58 per the above referenced Texas A&M University Contract using 2015 Bond funds.
