TO: Mike Martindale  
DATE: April 27, 2017  
SUBJECT: Data Cabling for Rock Prairie Elementary, Southwood Valley Elementary and South Knoll Elementary

As part of the 2015 bond program, Request for Competitive Sealed Proposals (RFCSP) #17-011 for Data Cabling for Rock Prairie Elementary, Southwood Valley Elementary and South Knoll Elementary was mailed on April 3, 2017 to five vendors, advertised April 3 and April 10, 2017 and posted on the CSISD website. A pre proposal meeting was held on April 13, 2017 and three contractors walked the three job sites with a Technology Department staff member. One vendor responded to the RFCSP which opened April 26, 2017.

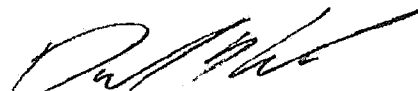

<u>Bidder</u>	<u>Base Proposal</u>	<u>Alternate Proposal</u>
DD Electronics	\$289,142.22	\$252,443.50

An alternate proposal for cabling manufactured by General Cabling was requested from the bidders as well as optional pricing for public address (PA) cabling and mounting of access points. Employees from the Technology and Purchasing Departments evaluated the base, alternate and optional proposals from DD Electronics for all three projects.

It is the recommendation of Mark Pantel, Director of Purchasing and David Hutchison, Director of Technology that the district accept the alternate proposal from DD Electronics to remove existing cabling and furnish and install General data cabling, PA cabling and mounting of access points at Rock Prairie Elementary, Southwood Valley Elementary and South Knoll Elementary for \$252,443.50.
