INTER-DEPARTMENTAL MEMO

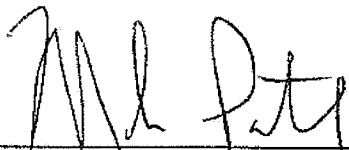

TO: Mike Martindale

DATE: September 9, 2016

SUBJECT: Annual Sungard Education K-12 and eFinance Plus
Software Maintenance and Support

Sungard K-12 Education is an application software and information processing services company whose main focus is to provide administrative software solutions to school and local governments. College Station ISD has used the Sungard suite of applications for its student and financial accounting system since June 1995.

The support services for these software applications are only available from Sungard Public Sector, LLC. It is the recommendation of Mark Pantel, Director of Purchasing and Jackie Janacek, Director of Computer Services to renew the maintenance and support contracts for both the eSchool Plus student software programs and the eFinance Plus financial software programs from Sungard Public Sector, LLC. for the 2016-2017 school year in the amount of \$120,168.02 as per the attached invoices.
