

College Station Independent School District

Success...each life...each day...each hour

MEMORANDUM

To: Dr. Clark Ealy, Superintendent

From: Dr. Penny Tramel, Chief Academic Officer *PT*

Date: April 12, 2018

Subject: District Improvement Plan Approval

Agenda Item: H-1,

Board Goals: 1-5

BACKGROUND

According to the Planning and Decision-Making Process section of the Texas Education Code §11.251, "the Board of Trustees of each independent school district shall ensure that a district improvement plan and improvement plans for each campus are developed, reviewed, and revised annually for improving the performance of all learners. The board shall annually approve district and campus performance objectives." Accordingly, the 2018-2019 District Improvement Plan is submitted for your approval.

The 2018-2019 District Improvement Plan was thoroughly reviewed by the Curriculum Department and the District Education Improvement Committee. Through the input of these two groups, along with departments and campus administrators throughout the district, the document represents growth initiatives for the district. On April 11, 2018, the draft District Improvement Plan was reviewed and edited by the DEIC. The DEIC voted unanimously to approve the plan and send it to the Board of Trustees.

All state and federal mandates required to be documented in the District Improvement Plan have been documented in Appendix A. Campuses will attach Appendix A to their Campus Improvement Plan, thus ensuring compliance and consistency in the compliance work across the district.

RECOMMENDATION

It is recommended that the CSISD Board of Trustees approve the 2018-2019 District Improvement Plan.
