INTER-DEPARTMENTAL MEMO

TO: Mike Martindale

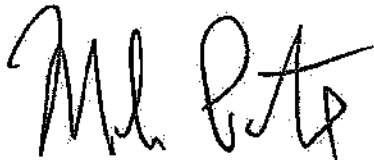

DATE: December 7, 2017

SUBJECT: Office Furniture and Equipment for Renovated Technology  
Department Offices

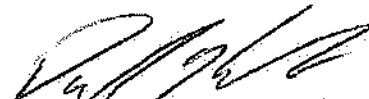

As part of the 2013 bond program, it was identified that the old purchasing offices and warehouse be repurposed for use as an office space to house the Technology Department as well as a training space. The Director of Technology has worked with Educator's Depot Inc. to identify the office furniture and related equipment needed for these offices and conference room.

The attached proposal from Educator's Depot, Inc. is a result of several planning meetings and the pricing is per the Texas Local Government Statewide Purchasing Cooperative (Buy Board), which College Station ISD is a member. All commodities have been competitively bid and awarded by the Cooperative's Board of Trustees based on statutes. The Plan Spec turnkey proposal from Educator's Depot Inc. includes planning, budgeting, purchasing, installation and project management.

It is the recommendation of Mark Pantel, Director of Purchasing, and David Hutchison, Director of Technology to purchase the office furniture and related equipment for the newly renovated Technology Department offices from Educator's Depot, Inc. for \$166,581.43 per Buy Board Contract #503-16 using funds from the 2013 bond program.
