INTER-DEPARTMENTAL MEMO

TO: Mike Martindale
DATE: February 9, 2018
SUBJECT: Public Address System for Wellborn Middle School

As part of the 2015 bond program, the Technology Department has identified the equipment and services required for the Public Address System for Wellborn Middle School. The Rauland Telecenter solution, expands the existing district's public address and school safety notification system into the new campus, providing both a campus and district wide paging and notification system.

Firetron, Inc is the central Texas reseller for Rauland and has been awarded the Security/Surveillance Systems contract by The Interlocal Purchasing System (TIPS) Purchasing Cooperative. College Station ISD is a member of this cooperative which is administered by Education Service Center (ESC) Region 8. All items have been competitively bid and awarded by the cooperative's Board of Trustees based on state statutes.

It is the recommendation of Mark Pantel, Director of Purchasing and David Hutchison, Director of Technology to purchase the Public Address System and speakers for Wellborn Middle School from Firetron, Inc. for \$114,460.48 per the TIPS contract #20160305

Mark Pantel, Director of Purchasing

David Hutchison, Director of Technology
