

College Station Independent School District

Success...each life...each day...each hour

MEMORANDUM

To: Dr. Clark Ealy, Superintendent
From: Dr. Penny Tramel, Chief Academic Officer *P.T.*
Date: December 22, 2017
Subject: New Courses for A & M Consolidated High School, College Station High School, and College View High School
Agenda Item: C
Board Priority/
District Goal: Priorities 1, 2, and 3

BACKGROUND

The consideration of new courses at the high school level is the result of input focused upon meeting student needs and interests.

As in the past, Board approval allows the district the opportunity to offer the courses to see how many students are interested in signing-up for them; whether a course "makes" is dependent upon such variables as student enrollment, teacher certification, and teacher availability.

The high school courses (attached) were unanimously approved by the District Education Improvement Council for student consideration in College Station ISD.

RECOMMENDATION

It is recommended the College Station Board of Trustees approve the new high school courses beginning with the 2018-2019 school year as presented.
