

# College Station Independent School District

*Success...each life...each day...each hour*

## MEMORANDUM

**To:** Dr. Clark Ealy, Superintendent

**From:** Dr. Penny Tramel, Curriculum and Instruction *P.T.*

**Date:** June 14, 2018

**Subject:** Shared Services Agreements and Contracted Services

**Agenda Item:** H-2.

**Board Goals:** 1-5

---

## BACKGROUND:

The Region VI Education Service Center provides services to all districts within Region VI. For some services, school districts must pay a fee in order to participate. College Station ISD would like to continue to contract with Region VI in the following areas:

- Federal Programs Services (\$8,595 paid from CSISD Title I entitlement)
- Bilingual/ESL Services (\$6,000 from local funds)
- Certification Co-op Services (\$750 paid from local funds)
- Driver Education Services (\$405 per student; paid by students)
- Distance Learning & Video Conferencing Technologies TETN Services (\$10,500 paid from local funds)
- Eduphoria Premium Suite (approx. \$36,900 paid from local funds) (T-TESS/T-PSS, Aware, Training)
- Region 6 ESL Platinum Package (TEKS Resource System) (\$2,160.00 paid from local funds)
- Texas Student Data System (TSDS) (approx. \$4,750 from local funds)

By allowing CSISD to contract with Region VI, CSISD personnel will be able to consult with experts from Region VUI and take advantage of services that are offered. Participation with Region VI helps to provide CSISD administrators and teachers the necessary information so that our resources and services can be maximized.

## RECOMMENDATION

It is recommended the CSISD Board of Trustees approve the shared serves agreements and contracted service agreements with Region VI ESC as presented.
