SUBJECT: Laptop Computers for Oakwood Intermediate

The Oakwood Intermediate administration has identified the need for new laptops for student use to support a new literacy initiative to help close the achievement gap shown by different groups of students. After consultation with the Technology Department and identifying the required specifications and quantity, Quote # 179056 was obtained from Avinext for (180) Hewlett Packard (HP) Probook 11 X360 laptops.

These laptops are available on the National Cooperative Purchasing Alliance (NCPA) Contract #01-65. The NCPA is a purchasing cooperative with contracts that have been competitively bid and meet the competitive bid requirements stipulated in Texas Government Code, Section 791.025.

It is the recommendation of Mark Pantel, Director of Purchasing and David Hutchison, Director of Technology that we purchase the HP Laptop Computers for Oakwood Intermediate from Avinext for \$125,820.00 per NCPA Contract #01-65 - Technology using Title One Federal funds. The Campus Improvement Plan has been updated to reflect this need for this campus.
