INTER-DEPARTMENTAL MEMO**

TO: Mike Martindale
DATE: June 7, 2018
SUBJECT: Desktop Computers for Summer 2018 – Phase 2 District
Wide Computer Refresh

As part of the 2015 Bond programs, the Technology Department has identified computers needed district wide, to replace aging computers. These computers and monitors are available on the Department of Information Resources (DIR) contract with Hewlett Packard.

The DIR is an agency of the State of Texas that has established contracts with vendors for technology related products and services. DIR contracts have been competitively bid and meet the competitive bid requirements stipulated in Texas Government Code, Section 791.025.

The Technology Department has worked with Avinext to provide the attached quotes #179325 for Hewlett Packard (HP) Desktop Computers and Monitors. It is the recommendation of Mark Pantel, Director of Purchasing and David Hutchison, Director of Technology that we purchase the HP desktop computers and monitors with pre-imaging and delivered to each campus from Avinext for \$267,462.00 per DIR Contract DIR-TSO-2538 with funds available from the 2015 bond program.
