Agenda Item: H-2.

Board Commitments: 1-5

BACKGROUND

The CSISD District Educational Improvement Council (DEIC) has the responsibility of recommending to the School Board the District Improvement Plan each year. The DEIC met on February 14, 2018 and March 7, 2018 to review data regarding achievement of the current District Improvement Plan Goals and based on committee input and data, created goals to recommend to the School Board for the 2018-2019 school year.

The goals were unanimously approved by DEIC on March 7, 2018 and are highly aligned with the School Board Commitments.

Goals

1. Provide an array of services, programs and opportunities to meet the emotional, social, physical, and academic needs of each student, and provide the opportunity for each student to reach his or her full potential.
2. Create classroom and campus cultures that involve each family.
3. Recruit, develop, and retain qualified and dedicated teachers and staff.
4. Provide a challenging, relevant, engaging and aligned curriculum to achieve the profile of a learner.
5. We will fully utilize resources to meet the needs of all students.

RECOMMENDATION

It is recommended that the CSISD Board of Trustees approve the goals for the 2018-2019 District Improvement Plan.
