Date: March 7, 2018

Subject: Network Switches for Wellborn Middle School

Agenda Item: J - 1.

Board Priority/
District Goal: Priority 3, Goal 4

BACKGROUND

As a part of the 2015 bond program, the Technology Department has identified network switches required for Wellborn Middle School. The district has worked with Avinext to secure the attached quote (#177295) for Hewlett Packard (HP) switches.

These switches are available from Avinext through the Department of Information Resources (DIR) Contract #DIR-TSO-3359 with HP. The DIR is an agency of the state of Texas that has established contracts with technology vendors. DIR contracts have been competitively bid and meet all bid requirements stipulated in Texas Government Code.

Mark Pantel, Director of Purchasing, and David Hutchison, Director of Technology, recommend that we purchase these HP network switches for Wellborn Middle School from Avinext per the Department of Information Resources Contract #DIR-TSO-3359 for \$95,830.00 using 2015 Bond Funds.

RECOMMENDATION

It is recommended that the Board of Trustees of the College Station Independent School District approve the purchase of HP network switches for Wellborn Middle School from Avinext per the Department of Information Resources Contract #DIR-TSO-3359 for \$95,830.00 using 2015 Bond Funds.
