INTER-DEPARTMENTAL MEMO

TO: Mike Martindale
DATE: February 26, 2018
SUBJECT: Network Switches for Wellborn Middle School

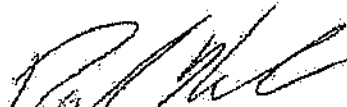

As part of the 2015 bond program, the Technology Department has identified network switches required for Wellborn Middle School. The district has worked with Avinext to provide the attached quote #177295 for Hewlett Packard (HP) network switches.

These network switches are available from Avinext through the Department of Information Resources (DIR) contract #DIR-TSO-3359 with HP. DIR is an agency of the State of Texas that has established contracts with vendors for technology related products and services. DIR contracts have been competitively bid and meet the competitive bid requirements stipulated in Texas Government Code, Section 791.025.

It is the recommendation of Mark Pantel, Director of Purchasing and David Hutchison, Director of Technology that we purchase the HP network switches for Wellborn Middle School from Avinext for a total of \$95,830.00 per the above referenced DIR Contract using 2015 Bond funds.

Mark Pantel, Director of Purchasing

David Hutchison, Director of Technology
