INTER-DEPARTMENTAL MEMO

TO: Mike Martindale
DATE: March 2, 2018
SUBJECT: Audio/ Video Systems for Large Venue and Fine Arts
Classrooms at Wellborn Middle School

As part of the 2015 bond program, the Technology Department has identified audio/video equipment needed for the large venue spaces such as the Large Group Instruction (LGI), Cafeteria, Library and the Fine Arts Classrooms at the new Wellborn Middle School. The Technology Department has worked with Avinext to provide the attached quote #177644.

This audio/video equipment is available from Avinext through the Texas A&M University Multimedia Contract #C5535732. All items included in this contract have been competitively bid and meet the competitive bid requirements of the Texas Government Code, Section 791.025. The prices are available to CSISD through an interlocal purchasing agreement with Texas A&M University.

It is the recommendation of Mark Pantel, Director of Purchasing and David Hutchison, Director of Technology that we purchase the A/V Systems for the large venue and fine arts classrooms at Wellborn Middle School from Avinext for a total of \$138,672.86 per the above referenced TAMU Contract using 2015 Bond funds.

Mark Pantel, Director of Purchasing

David Hutchison, Director of Technology
