

# College Station Independent School District

*Success...each life...each day...each hour*

## MEMORANDUM

To: Dr. Clark Ealy, Superintendent

From: Mike Martindale, Deputy Superintendent

Date: October 11, 2017

Subject: Interlocal Agreement with Region IV for Education and Staff Development Opportunities and Services

Agenda Item: J – 4.

Board Priority/  
District Goal: Priority 3, Goal 4

## BACKGROUND

This Interlocal Agreement between College Station ISD (CSISD) and the Region IV Education Service Center (ESC) in Houston provides the district more resources for staff development services and materials. The ILA not only maximizes the districts opportunities for training and staff development offered by ESC IV but also provides district personnel the ability to consult with ESC IV experts. While the district currently utilizes these services at ESC IV, this ILA addresses and updates all the necessary bid compliance requirements and streamlines our efforts when using resources offered by ESC IV.

It is the recommendation of Mark Pantel, Director of Purchasing, the Interlocal Agreement and Resolution between CSISD and ESC IV for Education and Staff Development Opportunities and Services be approved.

## RECOMMENDATION

It is recommended that the Board of Trustees of the College Station Independent School District approve the attached Interlocal Agreement and Resolution between CSISD and ESC IV for Education and Staff Development Opportunities and Services.
