

College Station Independent School District

Success...each life...each day...each hour

MEMORANDUM

To: Dr. Clark Ealy, Superintendent

From: Mike Martindale, Deputy Superintendent

Date: October 11, 2017

Subject: Domestic Water Boiler for A&M Consolidated High School Field House

Agenda Item: J – 6.

Board Priority/
District Goal: Priority 3, Goal 4

BACKGROUND

The maintenance department is recommending replacement of the domestic water boiler at A&M Consolidated High School Field House. The current boiler has a small leak and no longer works in an efficient or effective manner, requiring more repairs and upkeep maintenance than any other in the district.

Rene Ramirez, Assistant Director of Facilities, and Mark Pantel, Director of Purchasing, recommend the purchase of the identified replacement boiler for the A&M Consolidated High School Field House from Entech Sales and Service per BuyBoard contract #461-14 for \$80,321.00 using 2013 Bond Funds, Deferred Maintenance. The intent would be to have this item installed prior to classes resuming in January.

Entech Sales and Service is an approved vendor of the Texas Local Government Statewide Purchasing Cooperative (BuyBoard.) The BuyBoard is administered by TASB and all items have been competitively bid and awarded by the Cooperative's Board of Trustees based on state statutes.
