Agenda Item: H-3

Board Priority/

BACKGROUND

Head Start Program Performance Standards require the participation of the CSISD Board of Trustees as the governing body of the program to approve the annual Self-Assessment. The analysis of this data is done by program administration and results in a Program Improvement Plan to increase quality and improve outcomes overall for children and families. A summary is provided for program staff and governing bodies.

The Birth to Five Head Start Policy Council will have the opportunity to approve this request on October 24, 2017.
