

College Station Independent School District

Success...each life...each day...each hour

MEMORANDUM

To: Dr. Clark Ealy, Superintendent
From: Dr. Penny Tramel, Chief Academic Officer *P.T.*
Date: December 13, 2018
Subject: New Courses for A&M Consolidated High School and College Station High School
Agenda Item: I-1

BACKGROUND

The consideration of new courses at the high school level is the result of input focused upon meeting student needs and interests.

As in the past, Board approval allows the district the opportunity to offer the courses to see how many students are interested in signing-up for them; whether a course "makes" is dependent upon such variables as student enrollment, teacher certification, and teacher availability.

The high school courses (attached) were unanimously approved by the District Education Improvement Council for student consideration in College Station ISD.

RECOMMENDATION

It is recommended the College Station Board of Trustees approve the new high school courses beginning with the 2019-2020 school year as presented.
