INTER-DEPARTMENTAL MEMO

TO: Mike Martindale
DATE: February 1, 2019
SUBJECT: Renewal of Mizuni Data Warehouse Software License

A committee was formed in 2015 to look at several different vendors that supply Student Data Management Warehouse Applications. Based on the evaluation, the committee agreed that Mizuni was the best solution for the district and recommended the purchase.

The district's current student information system, eSchool is provided by PowerSchool. After discussions regarding the district's student data management needs with PowerSchool, they were able to provide third party software from Mizuni, a preferred partner, as a seamless solution to our student data management concerns. Mizuni fully integrates with eSchool and can incorporate locally defined data. The Mizuni product is offered to us through PowerSchool per an addendum to our existing contract (contract no. 2633) signed in 2016.

The attached quote was requested from Mizuni for the renewal of the Data Warehouse License Software for 2019. It is the recommendation of Carmella Shafer, Director of Purchasing and David Hutchison, Director of Technology that the district renew Mizuni Data Warehouse Software License for 2019 from PowerSchool in the amount of \$61,300.00 to be paid from 2018-2019 general funds.

Carmella Shafer, Director of Purchasing

David Hutchison, Director of Technology

Mizuni, Inc.
