INTER-DEPARTMENTAL MEMO

TO: Mike Martindale
DATE: February 5, 2019
SUBJECT: Elementary Campuses iPad Replacements

As part of the 2015 Bond program, the Technology Department has identified aging iPads that need to be replaced at nine elementary (9) campuses with similar devices, capable of operating existing and new applications. The technology department worked with Apple, Inc. to develop the attached proposal 2103619355 for 450 devices for a total price of \$132,300.00.

These devices are available on the Department of Information Resources (DIR) contract with Apple, Inc. The DIR is an agency of the State of Texas that has established contracts with vendors for technology related products and services. DIR contracts have been competitively bid and meet the competitive bid requirements stipulated in Texas Government Code, Section 791.025.

It is the recommendation of Carmella Shafer, Director of Purchasing and David Hutchison, Director of Technology that the district purchase Apple iPads from Apple, Inc. for \$132,300.00 per the DIR Contract DIR-TSO-3789 with funds available from the 2015 bond program.
