From: Mike Martindale, Deputy Superintendent

Date: February 13, 2019

Subject: Elementary Campuses iPad Replacements

Agenda Item: J – 5.

---

## **BACKGROUND**

As a part of the 2015 bond program, the technology department has identified aging iPads that need to be replaced at nine (9) elementary campuses with similar devices capable of operating existing and new applications. The district worked with Apple, Inc. to develop the attached proposal for 450 devices for a price of \$132,300.00

These devices are available from Apple, Inc. through the Department of Information Resources (DIR) Contract #DIR-TSO-3789. The DIR is an agency of the state of Texas that has established contracts with technology vendors. DIR contracts have been competitively bid and meet all bid requirements stipulated in Texas Government Code.

Carmella Shafer, Director of Purchasing and David Hutchison, Director of Technology, recommend that we purchase these iPad replacement devices for our nine (9) elementary schools from Apple, Inc. in the amount of \$132,300.00 per the Department of Information Resources Contract #DIR-TSO-3789 using 2015 Bond Funds.
