

College Station Independent School District

Success...each life...each day...each hour

MEMORANDUM

To: Dr. Clark Ealy, Superintendent
From: Dr. Penny Tramel, Chief Academic Officer *P. T.*
Date: June 4, 2019
Subject: Receive a presentation on the College Station Independent School District Leadership Profile
Agenda Item: H-1

BACKGROUND

The College Station ISD Success Team met in the spring of 2019 in order to form a Leadership Profile to establish a common vision of what we want all leaders in our school system to portray as they interact with our students, educators, colleagues, parents, and community. Having a clear profile helps in guiding hiring decisions for administrators, establishing a strong student-centered culture at all campuses and throughout departments, creating and maintaining a healthy climate and culture, fostering innovation in teaching and learning in a safe environment, and supports capacity building throughout the system in our students, educators, and leaders.

RECOMMENDATION

Receive a report on the Leadership Profile categories and the attributes we want all leaders in College Station Independent School District to portray everyday.
