

College Station Independent School District

Success...each life...each day...each hour

MEMORANDUM

To: Dr. Clark Ealy, Superintendent

From: Mike Martindale, Deputy Superintendent

Date: June 13, 2019

Subject: Interlocal Fuel Agreement with Brazos County

Agenda Item: J – 1.

BACKGROUND

Brazos County is currently in need of a source of fuel for its law enforcement vehicles used in the southern half of Brazos County. Currently, these vehicles must travel to the northern part of the county to refuel which takes them out of service for approximately an hour. Entering into this Interlocal Fuel Agreement with the county would allow their law enforcement vehicles to access fuel at our transportation department located at 9304 Rock Prairie Road, thus providing possible cost savings to the county and taxpayers due to reduced travel time and distance for refueling purposes. In addition to the cost savings, allowing these law enforcement vehicles access to fuel at our transportation facility, reduces the time these officials are pulled from their assigned duty areas thus enhancing the safety of the community.

RECOMMENDATION

It is recommended that the Board of Trustees of the College Station Independent School District approve the attached resolution and Interlocal Fuel Agreement between Brazos County, Texas and College Station ISD.
