2019-2020 School Year
Agenda Item: H-4

BACKGROUND

The CSISD District Educational Improvement Council (DEIC) has the responsibility of recommending to the School Board the District Improvement Plan each year. The DEIC met on February 13, 2019 and March 6, 2018 to review data regarding achievement of the current District Improvement Plan Goals. Based on data reports, the committee did not feel any changes were needed for the 2019-2020 District Improvement Plan. Objectives were also discussed. We would like to recommend the approval of the existing goals by the the School Board for the 2019-2020 school year.

Goals

1. Recruit, develop, and retain qualified and dedicated teachers and staff.
2. Provide a challenging, relevant, engaging and aligned curriculum to achieve the profile of a learner.
3. Provide an array of services, programs and opportunities to meet the emotional, social, physical, and academic needs of each student, and provide the opportunity for each student to reach his or her full potential.
4. Create classroom and campus cultures that involve each family.
5. We will fully utilize resources to meet the needs of all students.

RECOMMENDATION

It is recommended that the CSISD Board of Trustees approve the District Improvement Plan goals for the 2019-2020 school year.
