INTER-DEPARTMENTAL MEMO

TO: Mike Martindale
DATE: November 1, 2018
SUBJECT: Network Switches for River Bend Elementary

As part of the 2015 bond program, the Technology Department has identified network switches required for River Bend Elementary. The district has worked with Avinext to provide the attached quote #181953 for Hewlett Packard (HP) network switches.

These network switches are available from Avinext through the Department of Information Resources (DIR) contract #DIR-TSO-4160 with HP. DIR is an agency of the State of Texas that has established contracts with vendors for technology related products and services. DIR contracts have been competitively bid and meet the competitive bid requirements stipulated in Texas Government Code, Section 791.025.

It is the recommendation of Mark Pantel, Director of Purchasing and David Hutchison, Director of Technology that we purchase the HP network switches for River Bend Elementary from Avinext for a total of \$58,006.00 per the above referenced DIR Contract using 2015 Bond funds.
