INTER-DEPARTMENTAL MEMO

TO: Mike Martindale
DATE: August 30, 2018
SUBJECT: Edgenuity Renewal

Edgenuity is a software program designed for many instructional purposes. College View High School, A&M Consolidated High School and College Station High School has been using this program for several years and are reporting recurring student academic successes. This program allows students access to high school and middle school course work for unique courses such as Mandarin Chinese, original credit courses, credit recovery, and special education support. Also included in this agreement are STAAR, EOC, SAT, ACT and college exam preparatory courses.

The Department of Curriculum and Instruction recommends the renewal of this subscription to continue choice, flexibility and support for our student educational opportunities. The quote from Edgenuity, Inc. is for renewal of the site licenses at the three high schools and the addition of site licenses for three middle schools and twelve (12) days of onsite professional development per the 1 Governmental Procurement Alliance (1GPA) Contract # 14-207P Online Learning and Training. All items included in this contract have been competitively bid and awarded by the Cooperative's Board of Trustees based on state statutes.

It is the recommendation of Mark Pantel, Director of Purchasing and Penny Trammel, Chief Academic Officer to purchase the renewal of the Edgenuity subscription for three (3) additional years at an annual cost of \$64,920.00 per 1GPA Contract #14-207P to be paid from Instructional Material Allotment (IMA) funds.
