SUBJECT: Shade Cover for the Exterior Basketball Court at Southwood Valley Elementary

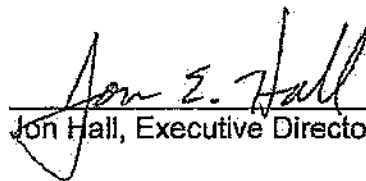

The Facilities Department has identified a need for a shade cover for the Exterior Basketball Court at Southwood Valley Elementary. VLK Archifects prepared the drawings and specifications for this scope of work which were used by the Facilities Department to request a quote from Aggieland Construction LLC to furnish and install a new cover at this campus.

This cover and installation is available from Aggieland Construction through the Choice Partners Contract #16/054JN-01. All items on this contract have been competitively bid and awarded by the Cooperative's Board of Trustees based on state statutes.

It is the recommendation of Mark Pantel, Director of Purchasing and Jon Hall, Executive Director of Facilities that we purchase the shade cover for the Exterior Basketball Court at Southwood Valley Elementary from Aggieland Construction LLC for a total of \$92,165.00 per the Choice Partners Contract #16/054JN-01. The funds for this purchase will be provided from the 2013 Bond Deferred Maintenance budget.
