

College Station Independent School District

Success...each life...each day...each hour

MEMORANDUM

To: Dr. Clark Ealy, Superintendent

From: Mike Martindale, Deputy Superintendent

Date: July 10, 2019

Subject: Changing Authorized Representatives for the First Public Lone Star Investment Pool account

Agenda Item: J – 4.

BACKGROUND

As required by the Public Funds Investment, public school districts must have school board approval before changing any district representatives on investment accounts. CSISD district administrators and business office officials are assigned specific duties requiring information related to this investment pool account. This action is recommended due to personnel changes in the position of Director of Business Services as identified on the attached amendment form issued by First Public.

RECOMMENDATION

It is recommended that the College Station Independent School District Board of Trustees approve of the addition to the authorized representatives for the College Station ISD First Public Lone Star Investment Pool account.
