

College Station Independent School District

Success...each life...each day...each hour

MEMORANDUM

To: Mike Martindale, Superintendent 

From: Amy Drozd, Chief Financial Officer 

Date: July 15, 2020

Subject: Interlocal agreement with the City of College Station for Ambulance Service

Agenda Item: J – 4.

BACKGROUND

For the safety and well being of CSISD student athletes, staff, and our visiting athletes, it is recommended that ambulance services be readily available during football games. In the past, this service has been provided by the City of College Station Fire Department at no charge to the District. Due to the growth of the City of College Station and the increasing demands on its staff that are on duty, it has become necessary for them to bring in off-duty emergency trained personnel for this service. This results in additional staffing cost for the City of College Station. It has been communicated that there will need to be a charge for this service to continue.

RECOMMENDATION

It is recommended that the College Station ISD Board of Trustees approve the attached Interlocal Agreement for ambulance services.
