MEMORANDUM

To: Mike Martindale, Superintendent *mm*

From: Amy Drozd, Chief Financial Officer *ADrozd*

Date: March 3, 2021

Subject: Consider approval committee membership for the 2021 Bond Planning committee

Agenda Item: E-3.

BACKGROUND

On January 19, 2021, the CSISD Board of Trustees charted a 2021 Bond Planning Committee for the purpose reviewing CSISD's need for a bond referendum to support the district in areas including but not limited to: facility renovations, deferred maintenance, buses, fine arts, land acquisition, technology, and other potential capital needs.

Board members and principals submitted names to administration for potential committee members. The district sought members that would represent the community, parents, faculty and staff, and would contribute to the overall purpose of the committee by participating in the determination of whether a bond referendum should be recommended, and if so, the projects and scope that should be included. Proposed committee members have been contacted by the administration and have confirmed their willingness to serve.

RECOMMENDATION

It is recommended that the College Station ISD Board of Trustees approve the membership of the 2021 Bond Planning Committee.
