

College Station Independent School District

Success...each life...each day...each hour

MEMORANDUM

To: Mike Martindale, Superintendent *mm*

From: Amy Drozd, Chief Financial Officer *Amy Drozd*

Date: March 3, 2021

Subject: Consider approval of purchase of Hoonuit Data Warehouse license renewal

Agenda Item: J – 3.

BACKGROUND

In October 2015, a committee of district and campus-level administrators came together to conduct a search for a platform that would allow for quick and easy access to state and local assessment data, grades, attendance, and background data with the capability to generate reports on various subgroups of students. The best system would be one that the district could customize input and show data in multiple ways and from multiple sources.

Hoonuit, (formerly Mizuni), fully integrates with eSchool, the district's current student information system, and meets the district needs described above. In 2020, Hoonuit, LLC was acquired by PowerSchool, our student data management software provider.

Carmella Shafer, Director of Purchasing, and David Hutchison, Director of Technology, are recommending the purchase of a one year renewal of Hoonuit Data Warehouse Software License for 2021 in the amount of \$63,130.08 per the EPIC 6 purchasing cooperative contract 23.20. The contract is to be paid from the General Fund.

RECOMMENDATION

It is recommended that the College Station Independent School District Board of Trustees approve the purchase of a one year renewal of Hoonuit Data Warehouse Software License from PowerSchool for 2021 in the amount of \$63,130.08 per the EPIC 6 purchasing cooperative contract using the 2020-2021 General Fund.
